

SEEKONK PUBLIC LIBRARY GIFT POLICY

The Seekonk Public Library welcomes the donation of books and other materials. The library also accepts donations of electronic and office equipment. Gifts are accepted without commitments as to the final disposition and with the understanding that they may not be added to the collection or retained by the library.

The criteria used for the selection of all materials in the library will be applied to gifts. The Library considers functionality, compatibility with existing hardware and software and the on-going operating costs when determining whether donated equipment will be accepted for library use.

The Library cannot make an appraisal as to the value of a donation for tax purposes. The Library will provide a letter acknowledging receipt of the gift and describing the gift.
