

SEEKONK Meadows

PASSIVE RECREATION AREA

In 1993, Ken Lagerquist, president of the Seekonk Library Trust from 1996 to 2006, and Sharon St. Hilaire, director of the Seekonk Library from 1977 to 2011, developed the concept of creating a meadow on top of the abandoned landfill on this site. After decades of wishing and planning, it has become a reality. The Town of Seekonk, in conjunction with the Seekonk Library Trust, the Seekonk Board of Library Trustees, the Seekonk Land Conservation Trust, Friends of

the Seekonk Library, the Parks and Recreation Committee and the Conservation Commission have worked together to develop the nine acres of land next to the library into a passive recreational area for the Seekonk community.

The funding to create Seekonk Meadows has been raised entirely by private donations. The people of Seekonk gratefully acknowledge the generosity of the following donors.
